D O No

Dear Sir

The Municipal Council, Tumkur at their Meeting held on 8-8-1942 resolved unanimously to acquire the Survey Numbers 66/4 and 67/2 in the Someswara Extension for the purpose of opening out a conservancy lane and a road to the New Middle School and to make the locality more sanitary and safe which is now a harbouring place for reptiles and other dangerous snakes and a place for mosquito breeding also They further resolved that they should take possession of the same in view of the above urgent circumstances under section 17 (?) of the Land Acquisition Act. Although it is one year since the Council resolved, nothing having been done so far, on account of the pressure from the residents of the locality the same being rendered highly unsafe on account of the increase in the number of snakes and reptiles and being rendered highly insanitary also

for want of a conservancy lane and to avoid the terrible mosquito breeding owing to the stagnation of water behind the houses and further in view of the enormous amount of inconvenience and danger felt by young children to go to the New Middle School crossing drains and Septic tank on the way, the matter has been hurried up the necessary recommendation has been made both by the Land Acquisition Officer and the Deputy Commissioner, to acquire the same under Section 17 (2) of the Land Acquisition Act The entire records have been sent to the Secretary, Law Department by the Deputy Commissioner in B.A 11 of 42-43 dated 1-10-43 I request you to kindly help the Municipality in expediting sanction of the acquisition under Section 17 (2) of the Land Acquisition Act I need not write to you anything more, as the resolution itself explanatory This acquisition is urgently needed in the interest of the residents of the extension.

Yours sincerely,
